1 inch - 4.5 Inches

**Wire Thickness**

1.6 mm (16 SWG) - 4 mm (8 SWG)

**Wire Type**

GI Wire , PVC Coated Wire

**Chainlink Height**

2 feet to 10 feet

**Production Capacity**  
(12 swg - 3" x 3" - 5 ft Height)

**in kgs** 80 - 100

**in sq.m/hr** 60 - 80

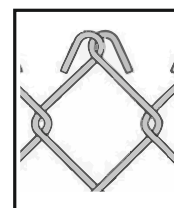

**Locking or Twisting from**

Mesh Gap - 2" to 4"

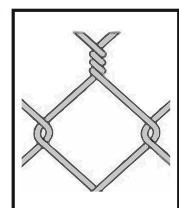

Wire thickness - 9 swg to 13 swg

**Both finish can be done**

**Locking**

**Twisting**

**Dimension**

5 ft x 2.5 ft x 2.5 ft - Cutting Unit  
 10 ft x 3 ft x 4 ft - Table Unit  
 12.5 ft x 2.5 ft x 2 ft - Locking Unit  
 12.5 ft x 2.5 ft x 1 ft - Rolling Unit

**Motor details**

4 HP - Servo Motor - 1 nos  
 1 HP - Induction Motor - 1 nos  
 1 HP - Brake Motor - 1 nos  
 0.5 HP - Induction Motors - 5 nos

**Electrical details**

7" Delta touch HMI - 1 nos  
 Delta PLC - 1 nos  
 AEC Make Motors and Gear Boxes  
 L&T and Schneider Electric parts

**\*\* Machine can be customized based on your choice**

## Two Years Warranty for Complete Machine

**\*\* No voltage and physical damages will be covered in warranty period**

**Power Specification**

440 V 3 Phase power supply  
 One neutral phase  
 One ground earthing must  
 10 HP (min) power supply

**Products and Accessories**

Cutting Unit  
 Weaving table Unit  
 Locking Unit  
 Rolling Unit  
 Wire Stand with Roller  
 Wire stand Coil  
 Panel Box  
 Tool Kit  
 Complementary Dye - 4 nos

**Terms and Conditions**

50% of the purchase order as advance and balance at time of delivery

Transport Charges extra

**Delivery time 25 to 30 Working days**

Labour charge during installation is free. Travel, Food, Accommodation needs to be provided

Service charge is applicable everytime. Travel, Food, Accommodation needs to be provided
